ROCKET AND WALNUTS PESTO

Light green sauce made from fresh rocket grown in the field and processed within few hours from the harvest to preserve its quality, with the addition of walnuts and Grana Padano DOP cheese. The rich and intense flavour of our rocket and walnut pesto makes it an excellent match for salads and cheeses. For the audacious, it can also be a great sauce for sandwiches and hamburgers thanks to its captivating consistency. It is also a brilliant sauce for pasta as an alternative to the more classic Sestafoglia Pesto alla Genovese.

TMC: 36 Months

The Production and Stocking plant is Certified:
